

configured

for your business needs

Many things can happen on the way to work. A call from the client. The last minute tweak. An additional slide. Whenever duty calls, the affordable HP ProBook 4431s Notebook PC powered by Intel® Core™ i5-2410M† processor, allows you to stay productive. It has a road-ready durable metal construction, and a LED-backlit 14.0 inch HD display. But most of all, it runs on 2nd generation Intel® Core™ processors with power and performance that belies its size. Just some of the things you'd need to get things done. Keep your business profitable, even before reaching your desk.

Everybody On

HP Spill Resistant Keyboard

The spill resistant keyboard now features a new fluid drainage system that routes excess fluids out of the computer quickly.

HP Face Recognition

Face your notebook's camera, and the face recognition will log you into Windows and websites. Combined with fingerprint, passwords or smartcards for stronger security.

HP SpareKey

In the event that you have forgotten your password, HP SpareKey will identify you by asking 3 personal questions. That makes secure access simple yet convenient.

HP 3D DriveGuard

Reduce risk of corruption or loss of data and protect your notebook from system failures caused by operational shock with HP 3D DriveGuard.
