unlock your **imagination**

intel inside  
**CORE™ i7**  
**Visibly Smart**

Whether you want all your entertainment in one place or a portable machine for everyday computing, the HP TouchSmart PC and HP Pavilion Notebook & Desktop PCs, powered by Intel® Core™ Processors, are vivid sparks to jump-start your imagination. Rethink games, music, photos and videos.

**HP Pavilion Desktop PC features**

**Try keeping up**  
With high-speed memory and superfast processors, it may be hard for you to keep up because every little bit of this PC performs.

**Never miss the details**  
Integrated graphics enhance the picture quality of your videos and games to achieve crisp, sharp images in natural fluid motion. So, look with a keen eye.

**A tower of strength**  
Expect generous hard drive space that never leaves out any song or smiling face as you store all your photos, movies and music.

**Link Up With Simplicity**  
Use your notebook with the HP displays or work from your PC and save everything directly to your notebook. HP LinkUp technology enables your PCs work like a single computer.

**HP TouchSmart PC features**

**Sounds like perfection**  
Beats Audio™ redefines what digital music playback should be. Immerse in a world of crystal-clear studio-quality sound, letting you hear the music the way your favourite artists intended. Start feeling music like never before.

**Comfort at every angle**  
Sleek computing with innovative ergonomics designed for your optimal comfort. The streamlined display reclines at your touch so you enjoy maximum viewing pleasure while the adjustable wide-arc swivel rotates to any direction you choose.

**A wider point of view**  
IPS (In-Plane Switching) panel technology supports Ultra Wide Viewing Angles to view from almost any angle without compromising on quality. Ultra Fast Response Time to minimise blurring and ghosting of images. Maximum Color Precision to display high levels of colour accuracy. Eliminates banding, hence achieving smooth transitions.
